It is easy. You can do it Yourself: (Please spare 5 minutes to read this page thoroughly)

Step 1. **Take sankalpa**. (Sankalpa – Spiritual resolve/Vow) Take a oath infront of Goddess with your name, relevant details (Parents name, Gothra, Nakshatra) and brief Goddess about your problem and inform her that you do the japa **1008 times a day** for **108 days** (**totalling 1,00,008 japas**) with a request to remove the problems and help you to marry early/ conceive or improve understanding. (as the case may be)

Step 2. **Time Taken for the Dhyana: 2 hours a day**.

Step 3. **Offerings:** As usual, Offer Dheepam, Doop, Pushpam (Flowers), Phalam (Fruits), Naivedyam (Food) & Thamboolam (Betel leaves & nut) Aarti & Namaskarams (namaste) daily. (How to do Namaskara or Namaste)

CAUTION or ADVISE: Sankalpa is a Oath infront of God. Once sankalpa is made, please do not stop or break inbetween, as you promised to do it for 108 days. **Hence, it is highly advisable to practice this japa for a couple of days without making sankalpa to check whether you can do it yourself**. (or you can always request our help by just sharing the cost of the materials.)

Swayamvara Parvati Mantra is the most appropriate kind of mantra for getting married without hassles and to the right partner. This mantra is also used for getting children, happiness in family and also avoid conflicts in homes. The most important highlight of this mantra is that it was composed by Sage Dhurvasa and given to Mother Parvati while she was engaged in penance to marry Lord Shiva. The mantra gave ultimate results to Mother Parvati and since them it is helping people solve the problems in marriage.

Swayamvara Parvati Mantra:

Om Hreem Yogini Yogini Yogeswari Yoga Bhayankari Sakala Sthavara

Jangamasya Mukha Hrudayam Mama Vasam Akarsha Akarshaya Namaha:

The wordings in this mantra seek to attract the person dear to you.

Therefore, the most promising benefits of this mantra is to get the life partner whom you desire from you heart. Also, while engaged in family life, you might come across times when the relationship with your life partner reports frictions. During this time, this mantra can help avoid conflicts and promote understanding and mutual love. Those who are looking forward to correct their husband's addictions can also find amazing results from this mantra.
All mantras are powerful. However, the efficacy of a particular mantra depends on your sincerity and regularity in chanting it besides your devotion and concentration. There is a particular method of chanting Swayamvara Parvati Mantra. To get the ultimate results, you must chant this mantra for 108 days with 1008 rounds per day. As you progress in this sadhana, you will find favourable turns gradually unfolding in your life culminating in the perfect attainment of your cherished goal.

Start the chanting on an auspicious day. Sit in full concentration in front of the picture of the Supreme Mother. Light the lamp. Keep tilak on the forehead of the image with turmeric paste, vermilion and yellow rice. Do Sankalp or resolution to engage in the chanting. Remember, this is the most important step that conveys to Goddess that you are committing yourself to this task.

Once you have resolved, you must complete the full course with full dedication and sincerity. Overcoming the troubles in this journey is the price you pay for achieving your goal. During Sankalp, take oath telling your name, parents name, gotra and nakshatra. Inform the goddess of the purpose of chanting and say you would do the chanting over the specified number of days with a particular number of rounds per day as per you convenience and wish.
